

PROJECT COMPLETION

Reconstruction Between Beloit Road and National Avenue

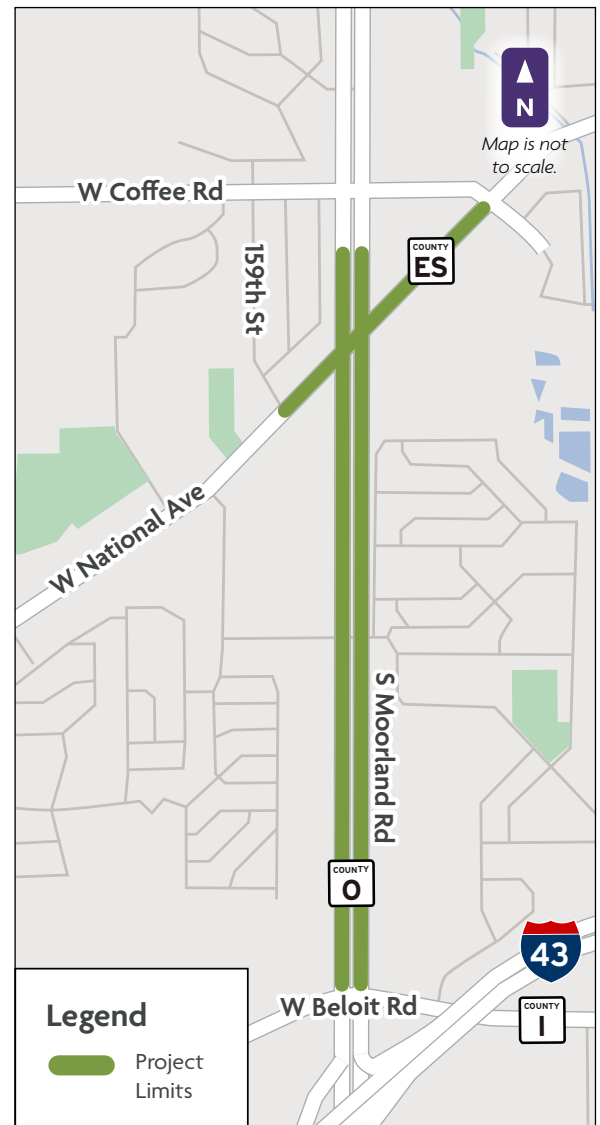

Waukesha County, in partnership with the Wisconsin Department of Transportation, has completed the reconstruction of Moorland Road (County O) between Beloit Road (County I) and National Avenue (County ES) in the City of New Berlin. The following work took place during the reconstruction.

The following work was completed as part of this project:

- Reconstructed the pavement with new concrete and storm sewer improvements
- Upgraded the intersections within the project limits to improve safety
- Upgraded all signalized intersections with the latest equipment
- Replaced sidewalks and curb ramps to conform to federal accessibility standards

Crews will be onsite for several weeks to complete restoration and punch list work.
